

# GOING TO THE DENTIST AT IKIDS

Today I am going to the dentist, this is where I will park my car

I will walk up this ramp to come into the building

And open the door to come inside

This is the lounge, I will sometimes see other people in the lounge.

I will check in at the front desk to let them know I am here

There are toys for me to play with or I can watch TV.

When my name is called I will walk down a ramp to see the dentist

I will come into the room and there is a chair for me to sit on
